OFL-CLC PENSION SUMMIT

PARK HYATT, TORONTO
4 Avenue Road

Saturday, March 27, 2010

Brothers and Sisters:

The future of Canadians' retirement security hangs in the balance.

Pension reform is being debated this Spring. Federal and provincial finance ministers have promised to consult with Canadians and report back by May. The usual voices are advocating for a system that will benefit the financial industry and the wealthy. The CLC has waged a successful campaign to ensure that the interests of workers are not forgotten in this debate. Labour is advocating for an expansion of the Canada Pension Plan. This safe, low-cost alternative will benefit all workers in every sector of the economy.

Labour's vision and alternative is on the table, but we are fighting against powerful interests. We are asking you to add your voice to this debate. Join us for a one-day pension summit in Toronto on March 27. High profile speakers will discuss the causes of the crisis and the failures of the current pension system. You will hear a debate about solutions for the pension system. You will learn how to apply the strategies from past successes in expanding our social safety net. We need a show of force to send a message to politicians that they have to consider the retirement needs of all Canadians.

The summit will take place on Saturday, March 27, 2010, at the Park Hyatt Hotel, 4 Avenue Road, Toronto, commencing at 9:00 a.m. The registration fee is \$125 per delegate (*fee will be waived for retirees*).

Pension Summit

AGENDA

Panel One: Pensions and the Economic Crisis

1. What are the causes of the pension crisis?
2. What caused the economic meltdown in 2008?
3. What financial and regulatory changes are needed to increase security of private pension plans?

Panel Two: Our Pension Stories

Listen to Ontarians tell their pension stories. Retirees whose retirement dreams have been shattered; older workers who are facing uncertainty after long years of contributing to a pension plan; a young worker who has never had a job that offered a pension; a woman working in the private sector who is facing retirement without enough income.

Share your stories.

LUNCH BREAK

Panel Three: Retirement Security for Everyone – How is it Possible?

- ✚ A debate about the direction pension reform should take.
- ✚ Listen to a debate between an advocate for an expansion of the Canada Pension Plan and an advocate for private savings solution.

Ask your questions about the future of pension system.
