

# Help Build the Future of the Labour Movement

The Ontario Federation of Labour is holding its  
biennial convention November 21-25, 2011.

When selecting delegates, consider sending one of your  
young workers! And remember, labour councils may send an  
**extra** delegate if they include a worker under 30.

The Workers Under 30 Committee is holding a youth forum on  
Wednesday evening, November 23, 2011. Watch for further  
information in OFL convention mailings.
