

TELL MPP ROD PHILLIPS: NO TO DISCRIMINATION

ROD PHILLIPS
Progressive
Conservative

Rod Phillips is making things worse in Ontario by:

- Eroding social and economic justice for women, racialized, Indigenous, and 2SLGBTQI+ peoples as well as people with disabilities.
- Contributing to the rise of hate by not addressing racist, misogynist, xenophobic, and right-wing populism.

Rod Phillips has already:

- Delayed justice at the Human Rights Tribunal with unfilled positions.
- Withdrawn cooperation to help fund the resettlement of asylum seekers.
- Disbanded expert committees to end violence against women and to combat Islamophobia, anti-Semitism, anti-Indigenous, and anti-Black racism.
- Failed to eliminate the discriminatory practice of carding.
- Withheld millions of dollars in promised funding from sexual assault centres.
- Delayed implementing laws to help bridge the gender wage gap.
- Restricted access to social assistance for people with disabilities.
- Cancelled the modernized curriculum that teaches children about same-sex relationships, gender identity and expression, and consent.
- Halted creating mandatory curriculum for students on residential schools, Treaties, and Indigenous peoples' contributions to Canada.
- Eliminated Ontario's independent watchdog on French-language services and scrapped a French-language university.

FACTS:

- In 2017, Ontario saw a 207 per cent increase in hate crimes against Muslim people, an 84 per cent increase in hate crimes against Black people, and 41 per cent increase in hate crimes against Jewish people.
- The gender wage gap in Ontario is 29.3 per cent, and it is significantly more pronounced for Indigenous (43 per cent), racialized (38 per cent), and immigrant (34 per cent) women as well as women requiring accommodation (46 per cent).
