

TELL PREMIER FORD: NO CUTS TO EDUCATION

DOUG FORD
Progressive
Conservative

Doug Ford is making things worse in Ontario by:

- Increasing classroom sizes for grades 4 through 8 and in high school.
- Delaying teaching children about gender identity and expression, endangering the lives of 2SLGBTQI+ students.
- Causing thousands of job losses in the education sector, jeopardizing students' learning outcomes and well-being.

Doug Ford has already:

- Cancelled the modernized curriculum that keeps children safe.
- Threatened post-secondary institutions with funding cuts if they do not allow all speech, including racist and discriminatory remarks, on campus.
- Failed to adequately fund universities and colleges to make up for tuition fee reduction.
- Reduced non-repayable grants for students and cancelled the six-month interest-free period on student loans, making it harder to get a university and other post-secondary education.
- Attacked student unions' ability to represent their members and provide services.

We have a voice. Be part of the **POWER OF MANY**.
Tell Doug Ford "End cuts to education and safe learning environments. Keep our young people safe."

FACTS:

- Ontario's spending on public services per person is the lowest in Canada.
- Ontario's schools are crumbling with a \$15.9 billion repair backlog.
- Ontario's per-student funding for universities and colleges is the lowest in Canada.

Let Doug Ford know that everyone needs good public education. You can visit him at his office. You can phone him. You can email him.
