

TELL MPP KARAHALIOS: NO CUTS TO EDUCATION

**BELINDA
KARAHALIOS**
Progressive
Conservative

Belinda Karahalios is making things worse in Ontario by:

- Increasing classroom sizes for grades 4 through 8 and in high school.
- Delaying teaching children about gender identity and expression, endangering the lives of 2SLGBTQI+ students.
- Causing thousands of job losses in the education sector, jeopardizing students' learning outcomes and well-being.

Belinda Karahalios has already:

- Cancelled the modernized curriculum that keeps children safe.
- Threatened post-secondary institutions with funding cuts if they do not allow all speech, including racist and discriminatory remarks, on campus.
- Failed to adequately fund universities to make up for tuition fee reduction.
- Reduced non-repayable grants for students and cancelled the six-month interest-free period on student loans, making it harder to get a university education.
- Attacked student unions' ability to represent their members and provide services.

We have a voice. Be part of the POWER OF MANY.
Tell Belinda Karahalios "End cuts to education and safe learning environments. Keep our young people safe."

FACTS:

- Ontario's spending on public services per person is the lowest in Canada.
- Ontario's schools are crumbling with a \$15.9 billion repair backlog.
- Ontario's per-student funding for universities is the lowest in Canada.
